Thank you for agreeing to work with the Forest Service as a member of the group that will be taking another look at the hydro information for the Rosemont project. Attached you will find the group objectives and expectations, which will be discussed in more detail on a **conference call June 4th from 9-11 PDT**. Please dial [\(b\) \(6\)](#). This call is intended to (1) discuss the purpose of this group, (2) the logistics for the following two-day technical session meetings, which will be held on **June 10th and 11th from 9-4:30 PDT**, and (3) to discuss and share any information that was not included in the FEIS that should be considered at this time. The location and VTC/phone information will be provided to you during the conference call on the 4th.
